AGREEMENT OF TREATMENT EXPECTATIONS AND MEDICAL HOME RESPONSIBILITIES

This is an agreement between two parties: the Health Center and the Patient.

The purpose of this document is a positive one. It attempts to make the clear rights and responsibilities of both parties. It says *who* is to do *what*.

A medical home is a care team working to provide you with the best care possible. We want to include you in making health care decisions. We will help you coordinate your care with providers outside of Lifecare when needed. We offer clinical advice during and after hours along with early morning appointments.

We promise to treat you to the best of our abilities, consistent with the standards of care in our community. You, in turn, promise to be as understanding, cooperative, and responsible as possible.

This Health Center has zero tolerance for violence or threat of violence of any kind. Therefore, there will not be any attempt or threat to kick, hit, or otherwise harm any staff member, patient, or visitors. Furthermore, neither party will yell or use profanity when addressing any staff member, patient, or visitors.

I have read (or have had read to me) the “Agreement of Treatment Expectations” and fully understand its contents. I have been given an opportunity to ask questions. Any violation of this agreement may result in permanent dismissal from the office.

I hereby consent to all treatment deemed necessary by the staff of Lifecare Family Health & Dental Center, Inc. I authorize the Lifecare Family Health & Dental Center, Inc. (LIFECARE FHDC) to use, disclose, and/or receive any or all information relating to my treatment. My provider may contact any other covered entity that has provided services to me for the purpose of obtaining further diagnosis.

LIFECARE FHDC has made prior arrangements with many health plans to accept direct payments. LIFECARE FHDC will bill those plans for which it has made prior arrangement and will only require you to pay the authorized Co-pay at the time of service. I agree that I am responsible for any co-payments, deductibles and fees for non-covered services.

I hereby authorize release of information necessary to file a claim with my insurance company and assign benefits, otherwise payable to me, to the physician or group indicated on the claim. I am responsible for any referrals and/or authorizations required by my insurance company. I understand I am financially responsible for any balance not covered by my insurance. My insurance policy, if applicable, is a contract between me and my insurance company. LIFECARE FHDC is not responsible for collecting on an insurance claim or negotiating a settlement on a disputed claim.

As a courtesy to the patient, LIFECARE FHDC will submit claims to any insurance company. If the patient's coverage is with a plan that LIFECARE FHDC does not have prior arrangement, the charges for the patient's care and treatment are the patient's responsibility and due in full at the time of service.

I understand that unless other arrangements have been made in advance by either me or my health coverage provider, payment is due at the time of service. For all services rendered to minors, the custodial parent or legal guardian will be responsible for all charges.

For the patient's convenience LIFECARE FHDC will accept Visa, MasterCard, Cash, and Personal Check. There will be a \$10.00 fee charged to patients for all non-sufficient funds checks and the patient will be required to pay cash for all future visits.

I further attest that, as of the date of my signature, the income sources listed constitute all of my household income, and that the number of family members listed are all solely dependent on that income. I verify my income level is truthful. I understand that LIFECARE FHDC is not in the business of extending credit and I agree to pay the above practice at the time its bill is presented. If prompt payment is not made, LIFECARE FHDC may take action to collect its charges.

Your Lifecare Family Health & Dental Center (LFHDC), providers want to ensure that you and other area residents have access to high quality medical, dental, vision, and behavioral health care when you need it. To ensure maximum access to services for all of our patients, please be aware of the following appointment policy.

Contact Information: It is your responsibility to keep your current address and phone number on file with LFHDC. Please keep LFHDC up to date anytime your information changes.

Scheduled Appointments: Although Lifecare Family Health & Dental Center will make every effort to remind you of your upcoming appointment, however, you are ultimately responsible for remembering your appointment date and time.

- If you are late and have an appointment scheduled after 11:00am, your appointment will be at the provider's discretion for that date of service, and if they can see you later that day.
- If they are unable to see you, you will have the opportunity to see another provider that day, should there be an opening. If there is no available time on that day's schedule, you will be able to schedule an appointment for another day and time.

Medical and Behavioral Health Informed Consent Agreement

Telehealth is the delivery of health care services (medical, psychiatric, therapeutic, dental) using interactive audio and visual electronic systems between a provider and a patient that are not in the physical location. These services may also include electronic prescribing, appointment scheduling, communication via email or electronic chat, electronic scheduling, and distribution of patient education materials.

I consent for _____ (patient name) to engage in telehealth services with Lifecare Family Health and Dental Center. I understand and agree to the following for the duration of telehealth services with Lifecare FHDC:

1. I have the right to withhold or remove consent for telehealth services at any time without affecting my right to future care or treatment, nor endangering the loss or withdrawal of any program benefits to which I would otherwise be eligible.
2. The laws that protect the confidentiality of my personal information also apply to telehealth. As such, I understand that the information released by me during the course of my sessions is confidential, just as it would be if I were in the clinic. I understand that mandated reporting laws will be followed by my provider during telehealth visits.
3. I understand that telehealth visits are transmitted via HIPAA approved platforms and that providers will take all reasonable measures to ensure that privacy is maintained during telehealth appointments. It is my responsibility to ensure that I access the internet through secure means and that I am in a private location to conduct my session to maintain privacy.
4. I understand that certain situations including emergencies and crises are inappropriate for telehealth services. If I am in crisis or in an emergency, I should immediately call 911 or go to the nearest hospital or crisis facility. I acknowledge I have been told that if I feel suicidal, I am to call 911, local county crisis agencies or the National Suicide Hotline at 1-800-784-2433. The provider may not be able to provide medical treatment using interactive electronic equipment nor provide for or arrange for emergency care that you may require.
5. I understand that there are risks and consequences from telehealth, including, but not limited to, the possibility, despite reasonable efforts on the part of my provider, that: the transmission of my medical information could be disrupted or distorted by technical failures; the transmission of my medical information could be interrupted by unauthorized persons; and /or the electronic storage of my medical information could be accessed by unauthorized persons.
6. I understand that telehealth-based services and care may not be as complete as face-to-face services and that not all therapeutic intervention, services or patients are appropriate for telehealth services. I also understand that if my provider believes I would be better served by another form of services (e.g. face-to-face services) I will be referred to a provider who can provide such services.
7. I understand that a lack of access to all the information that might be available in a face-to-face visit, but not in a telehealth session, may result in errors in judgement. Delays in medical evaluation and treatment may occur due to deficiencies or failures of the equipment.
8. I understand that a limited examination may take place during the videoconference and that lab and other tests are not available via telehealth.

Patient Name: _____

Date of Birth: _____

9. I have the right to ask my health care provider to discontinue the conference at any time.
10. I understand that no part of the telehealth visit will be recorded by my provider and agree not to record any part of the visit myself.
11. I understand that my provider will document in my medical chart as if the visit were conducted in person with only the additional information required for telehealth billing.
12. I understand that I, or my insurance, will be billed as authorized by my insurance and/or sliding fee plan. I have had my questions regarding billing answered to my satisfaction by the billing department.
13. I understand that for continued telehealth services, I must be seen in person/in office at least once per year, depending on my treatment plan, diagnosis, and or medication.

I hereby consent to engaging in telehealth with Lifecare FHDC as part of my healthcare evaluation and treatment. I understand that “telehealth” includes the practice of healthcare delivery, diagnosis, consultation, treatment, transfer of medical data, and education using interactive audio, video, or data communication. I have read this document and understand the risks and benefits of the telehealth services and have had my questions regarding the services answered to my satisfaction.

_____ **(Initial) Verbal Consent:** In lieu of the required written consent or beneficiary signatures, verbal permission was requested and received prior to initiating the telehealth visit having covered all the items in the Informed Consent. The hard copy consent will be signed by the patient at the next face-to-face appointment.
